BIG GRAIN ELEVATOR DESTROYED BY FIRE

Circumstances Lead Investigators to Believe Fire Was Work of Incendiary.

(International News Service.) Indianoplis, Ind., June 14.-A rigid investigation was under way today of the fire which shortly after midnight destroyed a large frame grain elevator of the Cleveland Grain company at Beech Grove. Thousands of bushels of corn and oats were destroyed, the total loss being estimated at close to \$200,000

Belief that the fire was of incendiary origin was strengthened today when it was reported that two men had left the elevator but a few minutes before the fire started.
